

NSW SENIOR STATE CHAMPIONSHIPS – 2020

CONDITIONS OF ENTRY

COVID-19 Safety Plan

This tournament will be run like no other we've seen. The Coffs venue has been segregated into zones 1 to 5. (see map) & two sessions A.M. & P.M. We must observe the NSW Government Public Notice Health Order of no more than 500 in a gathering. This means each zone must not exceed 500. This is the reason we have made it NO SPECTATORS.

Age divisions have been allocated a zone & session and are required to go straight to the zone. Do not arrive on the fields before 45 minutes to kick off. Arrive ready to play. Teams will hand in their registration form to the staff member in an orange vest in the middle of the zone before their first game. Teams are to remain in their zone until they have completed their last game of the day then vacate asap. Teams can have three officials on the sideline. Eg. coach, assist, manager

A one & half hour break will ensue before the afternoon session begins. Same policy as above, go straight to field, not before 45 minutes & ready to play.

No Spectators. This is mandatory & will affect the tournaments progress if not adhered to. Dispensation has & will be given under exceptional circumstances but the recipient must have a pass. Ground Officials & staff will police this policy and any person not

involved in the game or wearing a pass will be asked to leave. Refusal will force the stoppage of the game.

Referees will have hand sanitizer and players will be required to sanitize their hands before taking the field. Players who cannot use alcohol-based sanitizer need to bring their own and use it in front of the referee.

The balls will be replaced or washed for each session. All tags will be replaced after each session.

Any player that has symptoms must stay away from the tournament & their team. Any player that has visited a government acknowledged hotspot must stay away and get tested. Hotspots will be continually announced by AO as the tournament nears.
